

2.4 Non-English Speaking Members

Senior Health Partners celebrates the diversity of its membership, and our staff speaks several languages. In addition, Senior Health Partners contracts with a language assistance line to ensure we can properly communicate with all members. Contracted providers are also expected to meet the language needs of Senior Health Partners members. If you need assistance, please call (800) 633-9717.

Trial version converts only first 100000 characters. Evaluation only.
